

Flying IS for Girls!

A STEM program for Junior Girl Scouts

Offered by the Dallas Chapter of the Ninety-Nines,
an International Organization for Women Pilots

This seminar is led by women pilots.

Date: TBD

Duration: 3 hours, 9am - 12pm

Location: Frontiers of Flight Museum at Dallas Love Field

Attendance Fee: \$15/girl covers Seminar, Snack, Materials, Diploma, and STEM patch

Join us to:

	Discover how airplanes fly. Assemble a model plane.		Share historical perspectives with a former Powder Puff Derby racer.
	Explore a plane or helicopter. Visit the cockpit & learn about the instruments.		Learn about important aviation websites and careers.
	Learn about space exploration spin-offs. Sample space food.		Visit the Frontiers of Flight Museum. Practice your Aviation ABCs.

**For more information or to request space at the seminar,
