## GOVERNOR'S MESSAGE

SPRING 2020 APPROACH

We are living in a unique and uncertain time. It is mid-March, and the COVID-19 pandemic has arrived in every state in the United States. With concern for the welfare of our members, the spring "in-person" section meeting in April has been postponed. The Dallas Chapter, our host for the spring section meeting, has graciously offered to host the fall section meeting in October instead. The location and hotel in McKinney, Texas, will remain the same. I am grateful to the chapter for their hard work, and look forward to seeing the results in October rather than April this year.

Instead of the in-person section meeting, we will hold a telephonic business meeting on Saturday, April 25th. More details will be forthcoming in email blasts and postings on the website. A major agenda item is election of new officers and board. The nominees and their bios are listed in this edition of the Approach. A big thank you to the Nominating Committee of Sue Osborne, Sandra Leder, and Stephenie Roberts. They worked tirelessly to bring you outstanding candidates, who will provide excellent leadership the next two years.

On a lighter note, the new website [www.scs99s.org](http://www.scs99s.org) has launched! Heather Hodge has done a remarkable job in creating a visually exciting and inviting website for YOU to find all your South Central Section information. Please enjoy the new experience! We are thrilled with the results, on which more will be built over the next few months. Many, many thanks to Heather for her creativity and persistence, to Linda Horn for her wisdom and experience, and to Monica Randolph-Graham for her insightful contributions. Please send your chapter photos and articles to Heather to post on the website or to include in future issues of the Approach.

And many thanks to the Brazos River Chapter for a great job hosting the fall section meeting in Abilene, TX. It was an honor to participate in dedicating the gravesite to honor Vera Dawn Walker, a charter member of The 99s. The local police provided an escort from the hotel to the cemetery, and a few highlights of Vera Dawn's aviation career were shared during a brief ceremony. The theme of history and The 99s 90th anniversary continued on Saturday afternoon at the WASP museum in nearby Sweetwater. What a treat.

At this time, plans are still in place for the International Conference and annual meeting in Long Beach, CA on July 8-12. Who can resist a chance to spend a few nights aboard the Queen Mary! And have High Tea to celebrate our AEMSF scholarship winners. The conference promises a full schedule of interesting and educational tours, seminars, and workshops, along with scholarship and awards banquets. Should there be a change in plans, it will be posted on the website and included in the international newsletter.

This spring telephonic section meeting will be my last as your governor. These past two years have "flown" by. It has been an honor to serve you and a privilege to represent you at International board meetings and at section meetings. I am grateful for the opportunity to work with such an amazing group of women pilots.

Blue Skies,

*Gretchen*

## *Editorial Comment by Heather Hodge*

I hope everyone had a fantastic new year, and the beginning of 2020 is treating you and your loved ones kindly. This marks the second issue of the Approach under my belt as Editor-in-Chief, and I think I am ironing out the kinks. However, I would love to hear your feedback to ensure I am capturing all the voices of our section. Additionally, I want to highlight topics relevant to you. If you have an idea, email me, and we will figure out a way to work that into the publication or website. The Approach will be working closely with the website. You may see some things shift from the Approach to the website and vice versa. These publications will be used in conjunction with one another to highlight our section.

Thank you for allowing me the privilege to share your stories and usher our section into a modern age. I truly am blessed to be surrounded by incredible, strong role models, friends, and pilots!

Blue Skies and Tailwinds,

*Heather Hodge*

## DISCUSSION TOPIC FOR THE SPRING SECTION MEETING

### PREAMBLE

Currently the South Central Section bylaws permit officers to serve a single two-year term within a six year period. Directors are permitted to serve two two-year terms within a six-year period. A member has proposed that the treasurer be permitted to serve two terms within six years, the same as the term limit for directors.

### ARTICLE VI – BOARD OF DIRECTORS

Section 5. Number of terms

A. Offices. ~~A~~ ~~No~~ person shall hold the office of Governor, Vice-Governor, and Secretary ~~or Treasurer~~ for no more than one term within a six-year period. A person shall hold the office of Treasurer for no more than two terms within a six-year period.

#### Pro:

It is getting increasingly difficult to find candidates for the office of Treasurer. (Possible reasons: Treasurer is a position of fiduciary responsibility that not many want to take on. The need to learn the bookkeeping system and financial reporting, which is complex. The technology has complexities with inter-related spreadsheets. Not everyone is tech-savvy nor comfortable with the process.) Allowing a Treasurer to serve two terms instead of one could allow the business of the corporation to continue uninterrupted.

The officer will be more experienced in her second term and will be more effective.

#### Con:

Possibility of one officer wielding too much authority.

No introduction of new ideas.

Possible candidates might hesitate to serve two terms but feel pressure to do so.

It could lengthen the time a candidate moves through the different offices and prevent her candidacy because of age-related health or other problems.

Some believe that permitting a second term at the international level is hurting us.

## *South Central Section Officers 2020-2022*

**WE WILL BE VOTING DURING THE SPRING SECTION MEETING**

*The Nominating Committee for the years 2018 – 2020 thanks those South Central Section members who have graciously agreed to lead our section for the next 2 years 2020 – 2022. Since there are no contested offices, we will vote by acclamation at the spring section meeting in Texas instead by ballot. Below is a brief outline of the candidates*

**GOVERNOR: MONICA RANDOLPH-GRAHAM**

Joined 99s: 12/2012 Chapter: Fort Worth

Currently serving as vice governor 2018-2020 South Central Section, currently Fort Worth Chapter Chairman, served as vice chairman, is membership chairman, served on the International 99s Museum of Women Pilots board, worked with International Board of The 99s in various capacities, plus being active in her community, she takes pride in her organizational skills and ability to plan, coordinate, delegate and facilitate. She is highly motivated to promote the 99s and provide aviation education to the next generation of women pilots.

**VICE-GOVERNOR: LAURIE ADAMS PEAKE**

Joined 99s: 1/2016 Chapter: Dallas

Currently serving as Spring 2020 conference chairman for hosting Dallas Chapter. Previously she has served as Dallas Chapter Chairman. Laurie teaches multi engine at Diamond Flight Center of Texas in Arlington, owned by a fellow 99. Laurie is constantly inspired by the women in the 99s, and strives to promote the organization and encourage women to follow their aviation dreams.

**SECRETARY: KATHY CLARK**

Joined 99s: 10/1991 Chapter: Houston

Has served her chapter as newsletter assistant and editor, chapter vice-chairman, treasurer, and co-chairman. After college she worked for the airlines as a flight attendant which sparked an interest in learning to fly. Having married into a family of aviators who encouraged her, she received her pilot license in 1991. Her background of teaching school has helped her with mentoring student pilots which is something she enjoys. She and husband Mike own a Beechcraft Sierra. She has also spoken to student groups about flying.

## *South Central Section Officers 2020-2022*

WE WILL BE VOTING DURING THE SPRING SECTION MEETING

**TREASURER:**

**AILEEN HUMMEL**

Joined 99s: 07/1998

Chapter: Fort Worth

Currently serving as a director for the South Central Section, prior to that she was the secretary for the South Central Section. She has served as assistant editor of the Approach. Has been treasurer of the Fort Worth Chapter and chapter chair, so she brings experience with EXCEL spreadsheets and looks forward to working with Elizabeth Frankowski.

**DIRECTOR:**

**KATHY SPAHR**

Joined 99s: 07/1996

Chapter Nebraska

My connection with aviation has been lifelong. My dad was a pilot and the first time I took the controls of an airplane I was six years old with him in his Mooney Mite. I soloed in 1969 at the age of 18. My flying was off and on through the years. I've owned three airplanes. Received my instrument rating in 2013. I've been a timer for the Air Race Classic many times. What a great job they do! I am currently vice chairman for the Nebraska Chapter and was chapter chairman for many years. I joined the 99s in 1996. I am also on the board of the International Forest of Friendship. As a director of the South Central Section, I will support the governor and the board and will perform the duties requested of me.

**DIRECTOR:**

**REBECCA "BECKY" SMITH**

Joined 99s: 05/2005

Chapter Austin Hill Country

Past chairman and current Membership Committee Chairman of the Austin Hill Country Chapter; I've been a member since 2005. Learning to fly a little later in life, I savored every moment in the air. We've owned 4 different airplanes and live in an airport community. With goals of increasing and retaining our membership, I look forward to working with and supporting this board and the entire organization.

## *South Central Section Officers 2020-2022*

WE WILL BE VOTING DURING THE SPRING SECTION MEETING

**NOMINATING COMMITTEE:**

Joined 99s: 09/2015

**KAYLEE JEFFRIES**

Chapter Dallas

She is currently serving as Dallas Chapter Chairman and previously served as fundraising chairman at another chapter. Kaylee is currently a CFI at Addison and working on her CFI & MEI, and pursuing a career in the commercial airlines. She thoroughly enjoys instructing and promoting women in all roles of aviation. Kaylee is very appreciative of all the encouragement and friendships The 99s has provided and strives to bring the same kind of support to others.

**NOMINATING COMMITTEE:**

Joined 99s: 09/2018

**JO CUNNINGHAM**

Chapter Rio Grande Norte

I have been a member of The Ninety-Nines since September 2018. I am currently secretary for the Rio Grande Norte Chapter 99s in New Mexico. I am thrilled and honored to have been asked to serve on the Nominating Committee for the South Central Section. I have been an officer in numerous organizations for over 30 years, including president & secretary of the Rio Grande Chapter of the National Contract Management Association (NCMA). I also served on NCMA's National Board of Directors in 2003-2004. I am a pilot & a member of the Kirtland Aero Club in Albuquerque, NM. My goal is to recruit enthusiastic, well-qualified candidates who are willing to contribute their experience and skills to make the South Central Section the best! I look forward to meeting many of you in person in the years ahead.

**NOMINATING COMMITTEE:**

Joined 99s: 12/1985

**GRETCHEN JAHN**

Chapter Colorado

As current governor she is automatically on the 2020 -2022 Nominating Committee

Keeping our members safe and healthy during the COVID-19 pandemic is of utmost importance to the section. Therefore, we have decided to teleconference the spring section meeting. We will be using the platform Zoom to conduct our business. The new website has current section meeting information, as well as some tutorials on how to use Zoom. We encourage you to familiarize yourself with this platform and reach out with questions about the use of Zoom ahead of the meeting.

We believe this technology will inspire members to participate in the section meeting who do not usually get to attend the destination meetings. Additionally, we encourage the use of your camera during this event. Seeing smiling faces helps combat the feeling of isolation during this time of social distancing.

We are all in this together!

## Ambassador Chapter

### No Limits

BY KAREN ROSIER

The Ambassador Chapter is the Online Chapter of The Ninety-Nines. It is great for pilots with crazy schedules and/or pilots who live abroad. We have members from the US and other countries all over the world. Our members are women pilots who fly for major airlines, corporate jets, helicopters, who are learning to fly, who are teaching others how to fly, and everyone in between. There are geological distances between us, but that does not hinder us from bonding and supporting each other. Friendships have developed over the years and many opportunities to meet fellow women pilots over the world with the same interest in and love for aviation have been created. Email, a website for members only, Facebook, monthly meetings using video conference software, and a digital newsletter are our main means of communication.

Although we are a digital chapter, all benefits as a member of The Ninety-Nines, such as applying for one of the many scholarships or participating in the PPLI program, are available. We are an all-volunteer cadre of women pilots who serve 2-year terms in the chapter leadership. We've got a chapter chairman, a vice-chairman, secretary, and treasurer. Furthermore, we have a chapter committee consisting of a newsletter editor, a membership chairman, a webmaster, and the AEMSF scholarship chairman. If you're interested in learning how you can be an active part of our team, we'd love to tell you about how you might be able to volunteer a little time and make a big difference! Do you want to reach out to the Chapter Leadership? Please send an email to [contact@ambassador99s.org](mailto:contact@ambassador99s.org).

# CONTINUING EDUCATION

Arkansas Chapter

## New Year, New Us

BY JULIE HALL-DEN BOER

The Arkansas Chapter of the Ninety-Nines started a new year and a new decade with a kickoff meeting in January. While the Saturday chosen for the meeting brought freezing precipitation and slick roads, it didn't slide any enthusiasm away from a cheerful gathering of women in Bentonville that brought several new members to the Ninety-Nines organization. The February meeting featured guest speakers for an FAA WINGS education event. A&P maintenance technicians Kelly Tuszynski and Tom Williams spoke about ways to keep an airplane happy and what to look for when renting an airplane from a mechanic's perspective. The OZ1 Flying Club has generously allowed the Arkansas Ninety-Nines to meet in their beautiful club space and provided an airplane to use for the WINGS event. To keep members spread across the state connected, the chapter has been utilizing ZOOM to allow members to join meetings with a live online connection.

Looking ahead, the Arkansas Chapter has another guest speaker planned for the March meeting. Dr. Lisa Low will speak about staying healthy for women pilots. With the growth in the number of student pilots in Arkansas, the chapter plans to host "Mixing and Mentoring" events to encourage and support the growing community of women pilots in the months before the annual meeting in June. The Arkansas Ninety-Nines welcomes interested women to join us at upcoming events. For a list of upcoming events, check out the chapter's website <https://www.facebook.com/ark99s>.

## Nebraska Chapter

### Member Spotlight

FROM LISA MCWILLIAMS

Sally Van Zandt was born in 1927 in Bushnell, Nebraska, and attended high school in Cheyenne, WY, working for her room and board. In 1964 she graduated from the University of Nebraska with a Masters in Human Development and Consumer Science. She became an Assistant Professor of Family and Consumer Science, conducting research on widowhood for seniors in Nebraska and China. In her 30 year career, Sally received many professional accolades, including Distinguished Teacher Award and Student Foundation Builders Award for Outstanding Advising.

Husband Dean gave her flying lessons for their 25th anniversary. Dean, a retired air traffic controller, passed away in 2002. They were married for 58 years.

She soloed in 1970, received her private pilot license in 1971 and commercial license in 1974. Over the years, she has flown many types of single-engine aircraft.

Sally joined the International Ninety-Nines and Nebraska 99s in 1971 and remains an active member. She flew in Nebraska air races, poker runs, Wings for Children, one leg in 1977 for the anniversary of air mail, as well as flying to 99s meetings in state and out of state. She assisted at stops of the Powder Puff Derby and Air Race Classic. She was active airmarking hangars and taxiways.

As a 99, she served as chairman and treasurer of the Nebraska Chapter. She worked with aerospace education for children and served as an advisor for the South Central Section. Now at age 92, Sally remains active in the Nebraska Chapter and assisted with the joint North Central/South Central Section meeting this past spring.

She loved to take people up to introduce them to flying. Many memorable flights were made to the Bahamas, co-piloting with other 99s, and giving rides to family and anyone interested in flying.

NE Kansas Chapter

## 2020 Kickoff

BY SARA TOMPSON

Our NE Kansas 99s chapter has had a couple of events to kick-off 2020.

First, Tammy Willits spoke to a Girl Scout Troop over at KOJC, Johnson County Executive Airport, about aviation, on February 4. Tammy is our key scouting liaison!

February 9, we finally had our chapter's traditional post-holiday holiday party, which was rescheduled from January. We had a lovely brunch at J. Wilson's in Lawrence. We raffled off several items to benefit the Topeka Aviation Explorer Post - a handmade cushion and a handmade iPad cover by our chairman Laura Burnham, and an aviator Santa donated by Ann Shaneyfelt. Explorer member Katie Golder, a student pilot, and Explorers leader and CFII Kermit Crane flew over to the event, and Katie accepted the funds raised by the raffle!

San Antonio Chapter

## Off We Go

BY CHERYL MORA

Gorgeous day to fly yesterday! The plane Cheryl Mora and Reni Baker share is finally out of maintenance after nearly 11 months!! Cheryl flew for a half-hour test flight at San Geronimo, and the plane did awesome, so then she flew to Uvalde for lunch at the Hangar 6 Cafe! Reni flew back to San Geronimo, then Cheryl flew her to Boerne Stage Airport, where she's finally tucked away in her hanger again! So great to fly again!!

# ADVENTURES

## Wichita Falls Chapter

### The Places We Go

BY MARY LATIMER

The Wichita Falls Chapter of the 99's hosted a fun trip to Oklahoma City to see the phenomenal show, "Come From Away."

We left Wichita Falls early Saturday morning and enjoyed a tour of the Museum of Women Pilots before lunch. If you haven't been to this little gem of a museum, you need to put it on your list.

Beverly Bass and her husband, Tom, joined us at Kitchen 324 for a great lunch. The food was great. Fried chicken pot pie!! Yummy. The company was even better. So fun to catch up with old friends, talk about flying, and introduce a few ladies to the 99s and us as individuals. A few members of the Fort Worth 99s and to one or two non-aviators joined us.

Then we piled back into our caravan of cars and headed to the event center. We had an opportunity for photos and socializing with Beverly and each other before the show. Of course, the highlight of the trip was attending the show. It was great. Special thanks to Kim Jackson, LaVena Wilson, Harriet Smith, and Monica Randolph-Graham for providing transportation.

We all had memories of that tragic day. Still, it was so healing and entertaining to see how 9-11, and the days after played out for the folks who were stranded in Gander, and for the locals who went far beyond expectations to meet their needs and make them feel welcome in a time of great turmoil.

Pictured: Kneeling: Monica Randolph-Graham, Kim Jackson  
Standing: unknown person, Aileen Hummel, Mary Latimer, LaVena Wilson, Harriet Smith, Anne Jeffries, Joy Mathes

None of us had seen the show previously, and visiting with Tom and Beverly after the show gave us some new insights on what happened in Gander. I wish we had been able to visit with them longer, but they are in high demand and needed to move on to their next commitment. Tom and Beverly are both so gracious and an absolute pleasure to be around. We were indeed grateful for the time they were able to spend with us. Others, like Beverly, are heroes (she will disagree) because they stepped up and did what had to be done when fate demanded they do so. Landing the plane at Gander was not a great test of her mettle. It was all the demands made of her as captain that she managed over the next few days that make her a hero, an inspiration, and a role model. Beverly's journey to becoming a professional pilot started back in the early 1970s, so she was also a trailblazer for future women airline pilots.

If you haven't seen "Come From Away" yet, it is an absolute MUST! If you are lucky enough to visit with Tom and Beverly, then you will have hit the jackpot for a great experience.
