Editorial Comment by Ellie Block -

First time! Had someone write what they wanted to be put in The Approach, then take a picture of it and email it to me.

Really????!!! Delays because of health; delays because of husband's health; then I saw that. I didn't know whether to laugh or cry. So I took a shower instead. SOOOOOOOOOOOO --- really need someone to take over The Approach. Guess the only saving grace is the help I get from my husband, Aileen Hummel and Linda Horn. Would be lost without them.

Thanks, Ellie

PS - When many people submit an article with the title 'Approach article', I have to rename everything with WHO and WHAT. And WHEN. TIME, TIME, TIME—midnight hours———no sleep———

PPS - Note: Usually there is only one page per chapter, but Jill Shockley (Texas Dogwood) ALWAYS labels, spell checks, organizes, everything she sends in—cuts my time involved GREATLY; so there is a little more space for you and your groups. THANK YOU, JILL

Fall 2018 Approach GOVERNOR'S MESSAGE

It's a privilege to serve as your new South Central Section Governor. I am looking forward to the next two years. Stephenie Roberts left big shoes to fill – fortunately, she remains involved as our immediate past Governor and will help keep us headed in the right direction.

The Pikes Peak Chapter members were outstanding hosts for the SCS Spring Section meeting in May. I loved the historic settings in downtown Colorado Springs, with the welcome reception at the Pioneers Museum and our stay at the Mining Exchange hotel. Hiking to greet the sunrise at the Paint Mines was a highlight – as was the chance to catch up with old friends and make new ones. Thanks to everyone who worked so hard to make it a memorable weekend.

Speaking of memorable weekends, this year's International Conference in Philadelphia was exceptional in many ways. For me it began with a river cruise with spectacular fireworks on the 4th of July. Then tours and seminars on a wealth of topics, plus a day-long career expo well-attended by hiring companies and job seekers. The Annual Meeting on Saturday included an update on the marketing campaign, which has resulted in a significant increase in membership. Announcements included a project to modernize the bylaws, and the Let's Fly Now program to introduce young and old to the joys of aviation.

The following SCS members were elected to these posts—congratulations!

Jan McKenzie (Colorado Chapter) – International President

Cathy Prudhomme (Houston Chapter) – International Secretary

Susan Larson (Rio Grande Norte Chapter) – Nominating Committee

Monica Randolph-Graham (Fort Worth Chapter) – 99s Museum of Women Pilots

Ann Shaneyfelt (Northeast Kansas Chapter) – AE Birthplace Museum

Later in July I attended EAA AirVenture in Oshkosh, Wisconsin. If you've never been to AirVenture, I highly recommend you get there at least once in your lifetime. The 99s booth was home for many of us as a gathering of old friends and making of new friends. Many new members and renewals signed up - my 3 hour shift in the booth was very busy! You can see photos of our newest members on The 99s Facebook page. Please welcome them to your chapters and get them involved in your activities.

It's hard to believe that the summer flying season is almost over. I hope you were able to take your favorite airplane – and your friends – to enjoy the delights of the skies. I know I did! Organizing a chapter fly-out is a great excuse for new and experienced pilots to share the fun and fly together to new locations. For example, the Colorado Chapter held a fly-out for breakfast on a Saturday that brought twenty 99s and guests to Salida, Colorado. We were joined by several 99s from the Rio Grande Norte Chapter AND the Washington DC Chapter – this was a great way to meet members of other 99s chapters.

Now, on to our next meeting. The Fall Section meeting is coming up in October and I hope you can attend. The Wichita Falls Chapter has organized an outstanding weekend. Be sure to put October 25-28 on your calendar. See you there.

Blue Skies and Tail Winds,

Gretchen

Wichita Falls Chapter Ninety-Nines

Invitation

Join us at the Fall Conference
for the South Central Section of the Ninety-Nines
October 25-28, 2018 in Wichita Falls, Texas.

Thursday: Early birds arrive. Enjoy a wine and paint experience in the evening.

Friday: Registration begins at 0800. Enjoy a tour of Sheppard Air Force Base in the morning, and a tour of the Air Tractor Factory in the afternoon.

Saturday: Registration begins at 0700. Business meeting begins at 0830. Chapter meeting begins at 1130. Safety seminars begin at 1300. Pose with

Mars trainee Monica Hew for a photograph, and in the evening, enjoy her lecture at the banquet.

Registration fee: \$129. Saturday evening only: \$40 (Seating is limited.)

Registration deadline is on October 12th.

Late registration deadline: October 23rd with a fee of \$150.

Phone (940)441-7180 or visit our Web site for information and to register.

Rio Grande Norte 99s

By Susan Larson

After several years packed with activities that are both fun and require a lot of work (hosted the South Central Section meeting, hosted the Air Race Classic terminus, offered multiple Girl Scout events and flying companion seminars) RGN99s are taking time for some pure flying fun this year.

In February, we joined the Route 66 event pilots in Moriarty, NM, and connected with 99s from other chapters. On that trip we only had one aircraft yet Robin Smith, Jim Nesmith and Susan Larson made it a fun and memorable experience. In March our flyout was a breakfast gig in Taos, NM, where we had the pleasure of meeting new member Jessica Caskey and breakfasting at the Farmhouse Café. Joining us were wannabe culinary connoisseurs Liz Avelar, Angie Slingluff, Connie Smith and Susan Larson. And, we had two aircraft! Yea!

In April the flyout was from Santa Fe to Double Eagle Airport in Albuquerque and was video taped by Liz Avelar. See how much fun we had by watching the YouTube video here: <https://m.youtube.com/watch?v=OgrvR6CyROE> or link to the video from our chapter Facebook group. You are invited to join the group. Just go to <https://www.facebook.com/groups/308936809290528/> and ask to be a member or search for 'Rio Grande Norte 99s' in groups. We experienced a serendipitous moment on this flyout. Liz had a friend interested in aviation so she brought her along. What a delightful surprise when I (Susan) realized I had already met this young woman, named Veronica, ten years ago when she was 14 years old. I had taken her on an introductory flight as a reward for her school accomplishments. Veronica is the star of the video. It was breakfast and a full load: Veronica, Liz, Lilo Steffen and me.

We found four planes for our June flyout to Santa Rosa, NM, for breakfast (surprised?) and a swim at the famed Blue Hole. PICs were Connie Smith, Elizabeth Hunke, Bobbie Lind and Susan Larson. Passengers were Steve Ross, Marianne Francois, Amy Ecclesine and Angie Slingluff. Lisa Bentson did ground honors ferrying us to and fro. Only one of us was brave enough to swim in the hole – it's a 'you go girl' to Marianne.

In the summer months we tend to head northward to avoid the heat of more southern climes. The first stop this summer season in July was in Salida, CO, where we joined the Colorado Chapter for their breakfast at the Patio Pancake Place. Flying from Northern NM to Salida involved crossing Poncha Pass at no less than 10,500' for an immediate descent to landing at Harriet Alexander Field at some 7,500'. Density Altitude was definitely a factor climbing out of a high elevation airport on a hot day, thus limiting our four seat aircraft to only two or three per aircraft. Two RGN99 aircraft participated, Elizabeth Hunke with Steve Ross, and Susan Larson with Madison Thompson and Lisa Bentson. Madison and Lisa had to drive at least 45 minutes to meet the aircraft in Santa Fe at 0600. Talk about your love of flight, and breakfast.

Next up it's north to Pagosa Springs, CO, where our hostess Ilene Ham-

Veronica Vangese, Liz Avelar, Lilo Steffen, Susan Larson

TEXAS DOGWOOD CHAPTER

By Jill Shockley

The Texas Dogwood chapter is now at 25 members, continuing our slow – but steady – growth.

Over the last several months, we have had a variety of activities and our members have been busy flying (both for pleasure and towards certificates/ratings/licenses). Our LeTourneau University members remain very busy with school and flying; we are so pleased they are a part of us!

Since last winter, Lisa Dancer has earned her Private Pilot certificate and Callie (Billingsley) Sink her Commercial Multi-Engine rating. Our LeTourneau University members accomplished a variety of flying milestones as well with Alice Huseland earning her Private Pilot certificate, Claire Cassel her Commercial Single-Engine rating, and Erica Swenson her Commercial Multi-Engine rating. Our student pilot members remain busy as they study for written tests or chip away at the flying requirements for their private pilot certificate. (See page 10 for pictures.)

Stephenie Roberts & Jerry Anne Jurenka attended the Spring Section meeting & International Conference, representing the chapter as our delegates at both.

Callie (Billingsley) Sink was married in June on Rusk County Airport. Congratulations to her and Mark! Callie is currently in the midst of the Professional Pilot Leadership Initiative as well as building her time flight instructing at her alma mater, Louisiana Tech, while Mark flies as a First Officer out of Chicago.

Stephanie Mertz successfully graduated from the Professional Pilot Leadership Initiative and has been building her PIC time as a flight instructor at LeTourneau University. She and her husband are looking forward to welcoming their first child (a boy!) in November. Sadly, they will also be moving to Austin this fall as his flying job is moving from Longview to Austin.

As our members cover a broad area of East Texas, our monthly get-togethers are at different locations. In March, Jerry Anne Jurenka arranged a tower tour at the East Texas Regional Airport in Longview.

In April, we met at Skyline Café on Pounds Field in Tyler for lunch and for a general business meeting. Also in April, we were pleased to award the “Top Female Pilot” for the 27th year to a LeTourneau University female student chosen by Letourneau’s staff and faculty.

In May, we were off to Aero-Estates, home base of Gayla Leary, where we held drawings for a handmade tie blanket and aviation jewelry.

In June, we headed north to Mt. Pleasant, home base of Nancy Rice, where we heard from Gary Gingrich about his Vietnam and U.S. Customs flying experience as well as had a delicious lunch prepared by Nancy and her mother. Shreveport 99s Chairman Teri Cole and her husband also joined us.

In August, we look forward to celebrating the November arrival of Stephanie & Chad Mertz’s baby as well as bidding them farewell. Planning is underway for activities for the remainder of 2018 which include seaplane rides and assisting with a Pietenpol fly-in in September, assisting the Dallas 99s chapter with an air marking in November, and hosting a pilot seminar in December as well as our annual Christmas party.

OKLAHOMA CHAPTER

By Carol Sokatch and Elaine Regier

At the May South Central Section meeting we said a fond adieu to Amelia Bearheart. She has visited so many airports in Oklahoma, been to fly-ins, pancake breakfast, Oklahoma Women in Aviation brunch in December, Wy's birthday brunch at Cattlemen's, viewed the bison at the Wichita Wildlife Preserve and seen the height of other "mountains", been to the State Capitol for an Aviation expo and on and on. We will miss you, Amelia.

Going to New Horizons were Carmen Modestino and Sue Halpain. Carmen was the go-to man for the honey-dos at Headquarters. Sue had held so many Chapter and Section positions, including former Governor.

We are planning for a very special Okie Derby Proficiency Air Rally since this will be our 40th staging of the event. We have available new tee shirts. We invite all Section members to come and fly with us on Saturday, August 18, out of Sundance Airport.

We enjoyed our Monday, February 13 Sweetheart Dinner at the usual place, Zio's. Good food and good people.

Sunday, February 25 was our Membership Reception at the Museum of Women Pilots. Special guests were Senator Paul Scott and Sandra Shelton. Sandra is the Public and government Affairs Liaison for the Oklahoma Aeronautics Commission. Senator Scott is the author of the bill passed in 2017 to establish December 9 as Women in Aviation and Aerospace Day annually in Oklahoma. Senator Scott and Sandra made a presentation on this special event to the International Board of Directors on March 2.

Some of our members joined the Oklahoma Pilots Association for their special dinner meeting at the History Center featuring General Thomas P. Stafford as honored guest and speaker.

Tuesday, April 24 was AEROklahoma day at the state capitol. Amelia was a hit with the legislatures and other expo exhibitors. Leona McGee, Trina Madden, Dawn Mills, Phyl Howard, and Gail Foote staffed our booth.

Carol Sokatch, Trina Madden and Gail Foote helped when the Museum of Women Pilots was a special venue for the FAA's Bring Your Child to Work Day on April 27.

Gail Foote and Carol Sokatch spent Memorial Day Saturday at the WASP Reunion at Avenger Field in Sweetwater Texas. What a great group of ladies they are.

Charlene Davis, Angela Drabek, and Leona McGee represented our chapter at the Philadelphia International Conference.

Our officers for 2018-2020 are Chairman, Dawn Mills; Vice Chairman, Trina Madden Southard, Treasurer, Leona McGee and Secretary, Carol Sokatch.

Thursday, July 19 was an Open House at the Museum of Women Pilots from 5 to 7:30 p.m. Of course, members brought food and helped host.

Saturday, July 21 was a special Girl Scout Day at the Museum of Women Pilots. The girls enjoyed outdoors activities as well as learning from our exhibits in the museum.

On Sat., July 14, the Dallas and Oklahoma Chapters met for food and fun! Kay Alley, Marla Eisenberg, Darisa Laurens, and Laurie and Stu Peake made the drive from the Dallas area. Oklahoma Chapter members were Angela Drabek, Donna Jackson, Leona and Greg McGee, Dawn Mills, Elaine Regier, and Wyvema Startz. Amelia Bearheart II was also in attendance (but that's another story!)**.

Lunch was at Cattlemen's Steakhouse. Darisa was curious about the specialty of lamb fries and was ready to order them until she learned what they were! However, an order was placed for all to enjoy, and Darisa bravely sampled one! Of course, then Wyvema had to eat one, too, because she agreed to eat one if Darisa did. No one left hungry!

Our next stop was the Museum of Women Pilots for a tour. The new museum manager, Will Long, has been busy in the Museum! He has plans for new cases and has updated some of the exhibits. There is plenty to see! If you haven't visited lately, it's time to do so!

******(Editor's Note: They missed Amelia Bearheart so much they created Amelia Bearheart II, a smaller version—will let them tell you that story some other time.)

AMBASSADOR CHAPTER

By Christine Hannon

On 25 July 2018, The Ambassador Chapter held its annual meeting on the EAA grounds at AirVenture and online, via Zoom. Guest speakers included Mike Stromberg, EAA Radio Volunteer at AirVenture and Andy Miller, UPS Pilot and AOPA Ambassador Great Lakes Region and IMC Club. Together, we discussed how to think globally and act locally by volunteering in our communities around the globe.

The Ambassador Ninety-Nines Chapter is proud to celebrate two scholarship winners this year. Saadah Ebrahim, of Nairobi, Kenya, is a 2018 recipient of a Fly Now Award. Saadah hopes to transport sick animals from the reserves to where they can get help or to join the local flying doctors, while pursuing her commercial license and inspiring other Kenyan girls and women to follow their dreams. Nabil Velez, a private pilot with instrument rating, will be using her Amelia Earhart Kitty Houghton Scholarship to obtain her A&P License to use while flying missionary flights in Panama.

Career Updates: Natasha Flaherty completed First Officer Training at Mesa Airlines on the Embraer 175. Janet Patton upgraded to Captain at American Airlines on the Boeing 737. Kira Vitale completed First Officer training at American Airlines on the Boeing 737. Congratulations to all!

Our non ground-based chapter holds its meetings once a month via Zoom video conference, allowing women around the world to connect. We invite you to join our meetings to share your story and learn from each other.

Pikes Peak Chapter

By Sarah Rickman

Pikes Peak Chapter has had a busy summer, beginning with hosting the South Central Section meeting May 3-5.

On June 2, four members volunteered to “woman” a table and represent the chapter at Armed Forces and First Responder Appreciation Day at the Pueblo Weisbrod Aircraft Museum. And we’ve been asked to repaint the museum’s Compass Rose and expect that to be an early fall activity.

July 7 marked the chapter’s hot air balloon event. At the Section banquet’s well-stocked raffle, Diane Rose “won” a ride in Patsy Buchwald and Ken Tadolini’s balloon. Several chapter members volunteered to “crew” for the early morning flight.

Finally, after months of weather cancelations, on July 14, the Pikes Peak Chapter made a successful fly-out to visit Carhenge in Alliance, NE (KAIA)! Report from the group:

“Four planes made the trip. It was a great experience for our low-time pilots. And Carhenge and the other car art displays were fantastic. We signed ‘Pikes Peak 99s’ on the autograph car. After a satisfying lunch, we fueled up and headed back. Managed to avoid the typical afternoon thunderstorms and landed safely back at Colorado Springs.”

Pikes Peak Chapter members at the Weisbrod Museum June 2: Sarah Byrn Rickman, Megan Szewczyk, Di Gillings and Elizabeth Keller.

Pikes Peak Chapter members at Carhenge July 14: Caitlin Walton, Zoan Harclerode, Sarah Tobin, Megan Szewczyk, Di Gillings, Bekki Manville and Megan Clegg.

Patsy Buchwald

Megan and Nate

A Note From Our International President

Hi Ladies,

We have made great progress in recently getting the word out about The 99s in the Aviation Community. 121five.com is a general aviation News website. We have a partnership with them and they will post information from The 99s.

Lisa Cotham, PR Chairman, has agreed to post our latest events and accomplishments on their website monthly. Please send your members accomplishments, awards, latest chapter activities, announcements of future events, etc. to her at 4lisacotham@gmail.com. Please send the exact wording that you want posted on the website.

Let's get our name and our activities on this aviation website to continue promoting The 99s!

Jan McKenzie
99s International President
jan@mckenzie99s.net
970-568-6411

Trina and Clark Get Married!

Ever thought about getting married in an airplane? Well, our very own Trina Madden (now Trina Southard) did and she made it happen! Trina was our Oklahoma 99s Chapter "Wings of the Future" scholarship recipient for 2017. She got the scholarship then went to work and finished her Private Pilot License. Trina, originally from Duncan, Oklahoma, has a great friend, Sandy Stewart, who happens to be an ordained minister. Sandy mentioned to Trina in a conversation that she'd love to go flying and Trina came up with an even better plan.

In the early evening of the 9th of June, Clark, Trina and Sandy took off from Duncan's airport and climbed to a nice cool altitude of 5,500 feet where Sandy administered the vows of marriage to Clark and Trina. They had to do a three-way positive transfer of the flight controls to take those vows and exchange rings, but all was done in a "Safety First" environment. The only "Unusual Attitude" was when Clark was told, he could kiss the bride!

Upon landing, Trina's sister, Jamie Webb and Clark's sister, Connie Southard were waiting to make it official by signing the Marriage License on the wing of Clark and Trina's Cherokee 140, N7057R. The sunset over Oklahoma never looked better.

See the Governor's Message on page 3 for more details.
